

Financial Donors 2016–17

Second Harvest is fortunate to have the support of thousands of generous donors and we are grateful for each and every one of them. Regrettably, due to space limitations, we can only list those donors who contributed more than \$1,000 in our 2016-17 fiscal year. We've included the Second Harvest fork icon to identify our Partners Against Hunger – donors that provide monthly support.
