

# Financial Donors 2015–16

Second Harvest is fortunate to have the support of thousands of generous donors and we are grateful for each and everyone of them. Regrettably, due to space limitations, we can only list those donors who contributed \$1,000 or more in our 2015-16 fiscal year. We've included the Second Harvest fork icon to identify our Partners Against Hunger – donors that provide monthly support.
